Guide to B2B Cart's Creation

FM has put the B2B service at disposal of its customers, available at www.fm.re.it. This useful service, in addition to our **updated digital catalogue**, allows you to request **quotes** and **forward purchase orders** in a fast, easy and secure way. In order to do that, you just have to create your own shopping cart. In this guide we'll see how to create it:

LOGIN

You will first need to log in: go to the FM website and enter your username and password at the "**B2B Access**" area. If you don't have already a B2B account, you must ask for activation by filling in the form at "**B2B Activation Request**". Then you will receive an email containing your login credentials.

ALTERNATIVE METHOD: SEARCH BY PRODUCT CODE

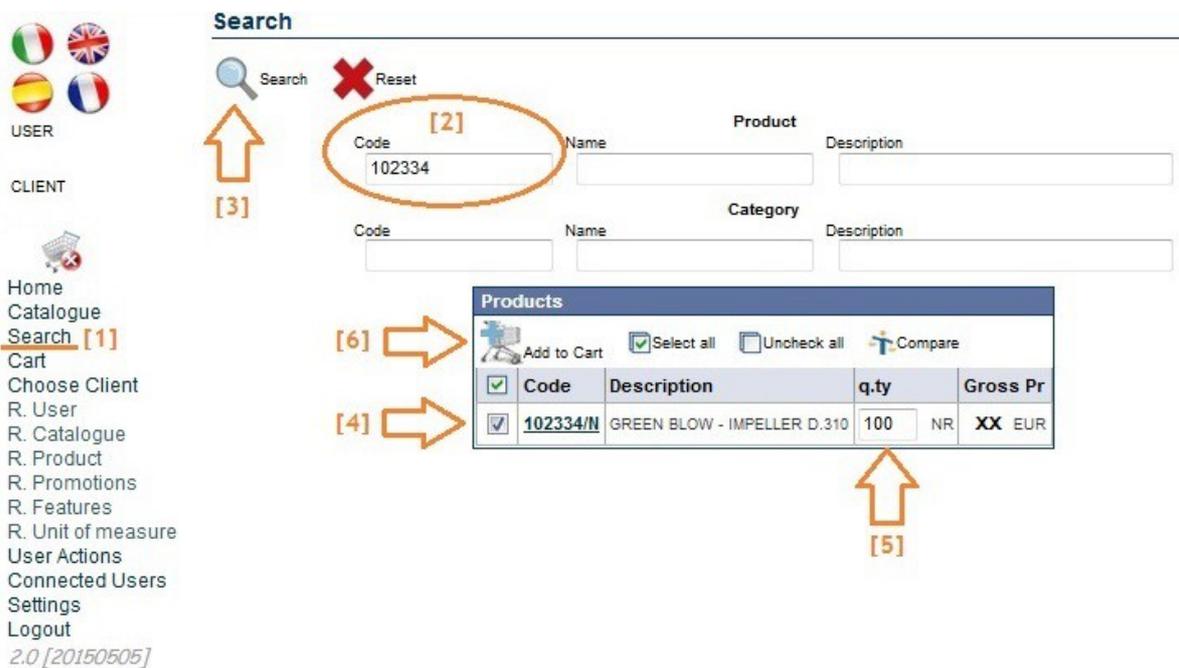

If you already know the code (or the name) of the product that you want to put in your own cart, you can simplify the process by searching it directly in the "Search" page [1], instead of browsing the entire digital catalogue.

Once you are in the "Search" page, insert the code (or the name) of the product that you need.

In our example, we'll have to write the Impeller's code (102334) inside the appropriate box under "product" [2], and then we'll click with the mouse on the "Search" button [3].

The Green Blow Impeller D.310 will appear just below.

You can now select this product by clicking on the tick near the name [4], define the quantity needed [5] and add it to your cart [6].

The screenshot shows the website's search interface. On the left is a navigation menu with options like Home, Catalogue, Search [1], Cart, Choose Client, R. User, R. Catalogue, R. Product, R. Promotions, R. Features, R. Unit of measure, User Actions, Connected Users, Settings, Logout, and 2.0 [20150505]. The main search area has a search bar with a magnifying glass icon and a 'Reset' button. The search results are displayed in a table with columns for Code, Description, q.ty, and Gross Pr. The search results table is as follows:

| Code | Description | q.ty | Gross Pr |
|----------|-----------------------------|------|-----------|
| 102334/N | GREEN BLOW - IMPELLER D.310 | 100 | NR XX EUR |

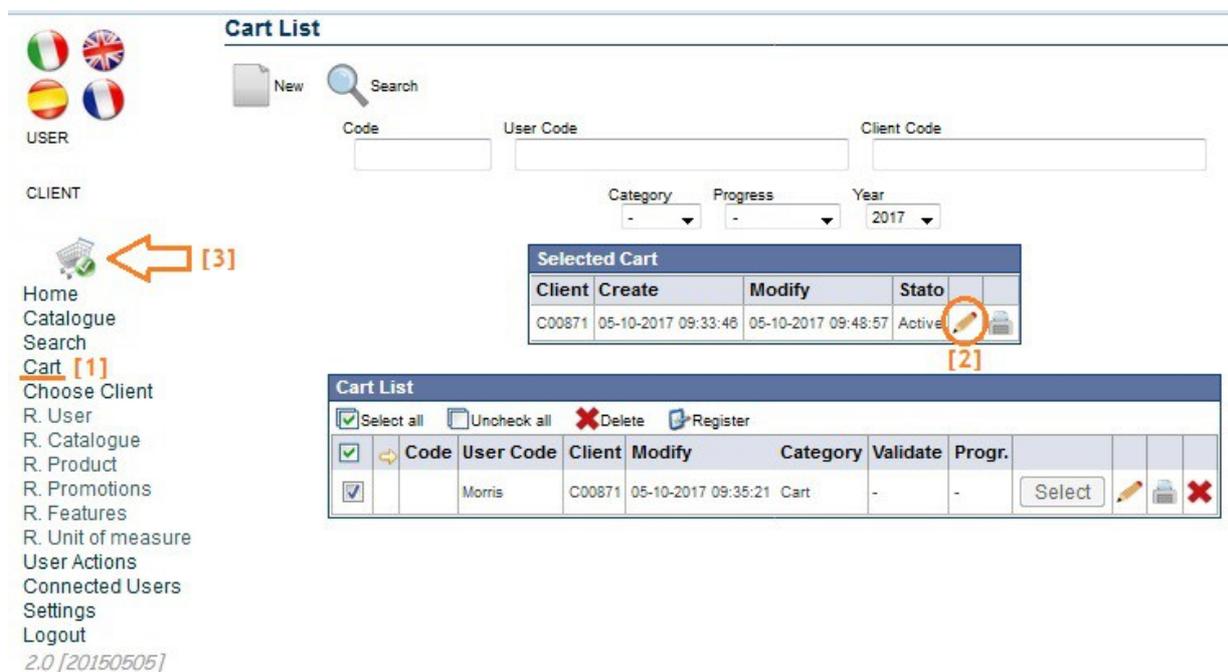

Annotations in the image indicate the following steps: [1] points to the 'Search' link in the menu; [2] points to the 'Code' input field containing '102334'; [3] points to the 'Search' button; [4] points to the checkbox next to the product name in the results table; [5] points to the 'q.ty' input field containing '100'; and [6] points to the 'Add to Cart' button.

FORWARD THE QUOTE AND/OR THE ORDER

Your cart is now ready and displayable at the "Cart" page [1].

If you want to see the details of your cart, click on the pencil-like button next to the cart [2].

Alternately, you can directly enter the cart by the cart-like button on the left [3].
